Action No.: 24-cv-01556-LGS-KHP

Letter Motion To Adjourn *The Court's Hearing On Dagames*

Dear Honorable Magistrate Judge Parker,

We represent Plaintiff in the above-styled action.

Pursuant to the Court's September 10, 2024 Order [DE#30], the Plaintiff and defaulted Defendants are required to appear for the damages inquiry conference scheduled for November 6, 2024.

Paramount, as an initial matter, the Plaintiff has amended his motion for Attorney fees t clarify and reiterate that, in pertinent part, the only damages sought in the Complaint [DE#1] were that of injunctive relief to remove and remediate the obstructions and violations that deprive Plaintiff and like situated persons under Title III of the ADA access to a public accommodation, and the attorney fees pursuant to 42 U.S.C. §12205.

Further, given the Defendants have still yet to make an appearance, and upon the grounds propounded in the aforementioned, the Plaintiff posits that a healing pn damages would not be in the best interest of judicial economy. However, if the Court still believes that this matter is best served by the damages inquiry, the Plaintiff is prepared to proceed with a hearing on fees.

For these reasons then, the Plaintiff respectfully requests an adjournment of the damages hearing, at the Court's sagacious discretion, and that the Court instead refer to the Amended Motion for Fees and Cost [DE#34].

Thank you for your time in considering this request.

Most Respectfully, BARDUCCI
